## Order Form 2008

*This order form features a greater selection of previously sold items now available on CD in addition to cassette, as well as some new sermons and literature conferences.*

*In an effort to make our conferences more widely available to everyone, the Seminary Audio Department will intermittently run sales on different items. Currently, we have a sale on a selection of literature conferences now available on CD. Each CD is now only \$5!*

*Quality is important to us, so please call us if you have any problems with your order and we will do our best to correct the situation. Please remember that we are a seminary and response times may be a bit longer during the first few months after a new mailing.*

*50% savings available on orders of 10!  
See below for details.*
